Valley View Road Reconstruction Project

Dear Resident:

Sally Lane Restoration

Paving was completed on Sally Lane on Wednesday. Mail service will be restored to Sally Lane residents on Friday.

Stage I (Valley View Road – Braemar Boulevard to Mark Terrace Drive)

The contractor has started placing storm sewer along Stage I. This is expected to be completed near the end of June. The contractor has begun placing the retaining walls near the proposed roundabout. Stage I is scheduled to be complete by Monday, July 20.

Stage I Detour

Detour signage is in place to route thru-traffic north on Valley View Road. Please adhere to the detour if your destination is on Valley View Road north of Mark Terrace Drive.

Special Events or Access Needs

Please call me if you have any special events or access needs. The contractor will work with you as much as possible to accommodate your needs.

Who to contact with Questions or Concerns

Please call me at 763-287-7149 or email me at aplowman@wsbeng.com to discuss any concerns or questions you might have regarding the project. You can also contact the project inspector, Kris Kemp at 612-214-2855.

For more information on this project, visit www.EdinaMN.gov/valleyviewroad. Please encourage your neighbors to sign us for City Extra as this will be our primary means of communication throughout the project at www.EdinaMN.gov/cityextra.

Safety

Safety is our No. 1 concern. Please use caution when traveling the area on foot or by car. Children are often fascinated with construction equipment, so please keep them away from the construction area. Expect delays and travel safely through the construction zone.

Who to Contact in an Emergency

9-1-1 for life or property-threatening emergencies.

Sincerely,

Andrew Plowman, PE
Project Manager
WSB & Associates, Inc.
